Impellam Group Equality, Diversity and Inclusion statement

Impellam Group is committed to bringing our people, candidates, clients and suppliers together to realise a vision for an equal, diverse and inclusive organisation.

Our aim is to ensure that our organisation is representative of all members of society across the territories in which we operate (UK and Ireland, Europe, the United States, Australia and New Zealand).

We recognise that we may need to provide our services in a range of different or more flexible ways, in order to ensure genuine equality of access or opportunity for groups and individuals who approach those services from a position of disadvantage.

Our Equal Opportunity policy ensures that we:

- Provide equality, fairness and respect for all in our employment, whether temporary, part-time or full-time;

- Observe the requirements of the applicable legislation in all regions*. As such we will not discriminate against our people based on protected characteristics of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race (including colour, nationality, and ethnic or national origin), religion or belief, sex and sexual orientation;

- Do not unlawfully discriminate when managing employment matters such as determining pay and benefits, terms and conditions of employment, grievances and discipline, dismissal, redundancy, leave for parents, requests for flexible working, and selection for employment, promotion, training or other developmental opportunities.

All job applicants, employees and others who work for us will be treated fairly and will not be discriminated against due to any of the characteristics protected under the applicable legislations in our regions*.

We promise to:

- Encourage equality, diversity and inclusion in the workplace;

- Create a working environment free of bullying, harassment, victimisation and unlawful discrimination, promoting dignity and respect for all, where individual differences and the
contributions of all staff are recognised and valued. This commitment includes training managers and all other employees about their rights and responsibilities under Impellam’s Code of Conduct including preventing bullying, harassment, victimisation and unlawful discrimination.

- Take seriously complaints of bullying, (including cyber bullying), harassment, victimisation and discrimination by employees, candidates, customers, suppliers, visitors, and the public in the course of the organisation’s work activities. Any allegations of such behaviour will be investigated and managed in line with the organisation’s grievance and/or disciplinary procedures. Appropriate action will be taken if necessary and particularly serious complaints could amount to gross misconduct and lead to dismissal without notice.

- Make opportunities for training, development and career progression available to all staff, who will be helped and encouraged to develop their full potential, so their talent can be fully utilised to maximise the efficiency of the organisation.

- Review employment practices and procedures when necessary to ensure fairness, updating any policies/guidance to reflect best practice and changes in the law.

- Monitor the make-up of the workforce regarding information such as age, sex, ethnic background, sexual orientation, religion or belief, and disability in encouraging equality, diversity and inclusion.

Impellam’s approach to Equality, Diversity and Inclusion is fully supported by senior management and a selection of employee representatives through our regional Equality, Diversity and Inclusion councils - to provide visible leadership, representation and guidance on equality, diversity and inclusion issues across the Group.

Each councils’ ultimate purpose is to help shape the future of recruitment; to help improve the access, experiences and careers for its people and candidates, and to become a more inclusive employer; designing and operating flexible services, practices and procedures that take appropriate account of the needs of both staff, clients, suppliers and visitors; utilising the talents of our diverse staff and the candidates we place into fulfilling roles.
